

Mohamed Said Mahmoud

Researcher of Environmental Biotechnology

Tel: +202- 01157927521

E-mail: mphdmicro2012@yahoo.com

11, Elnagar avenue from Elhoria st. - Elmataria, Cairo, Egypt

Date and Place of Birth

October 28, 1982

Nationality

Egyptian

Marital state

Married

Candidate Profile

Over ten-years of scientific career in multiple locations including Faculty of Science at Al-Azhar University, Hot Laboratory Center at Egyptian Atomic Energy Authority (EAEA) and Sanitary & environmental Institute (SEI) at Housing and Building National Research Center (HBRC) with academic excellence and scientific success certificate. Experience gained from several projects in field of water and wastewater analysis and water quality assessment, Lecturer director in different training courses. Member of Ocean Expert (Directory of Marine and Freshwater Professionals), American Chemical Society (ACS), Royal Society of Chemistry (RSC), American Association for Science and Technology (AASCIT), We The Microbiologist (WTM), the International Association of Engineers (IAENG), the New York Academy of Sciences, International Association of Hydrological Sciences (IAHS), International Society for Environmental Information Sciences (ISEIS), Society of Environmental Toxicology and Chemistry (SETAC) in Africa and editorial review board member at the World Academy of Science, Engineering & Technology (WASET). Reviewer at Research on Chemical Intermediates (RINT) and Brazilian Archives of Biology & Technology. My research interests cover treatment of water and wastewater using different eco-friendly and low cost environmental materials including biological, chemical, physical and mathematical modeling. Prepare and teach course materials.

Education

Academic Degree	University/School	General Specialization:	specific Specialization	Location	Grade	Year
Ph.D. Science	Faculty of Science, Al-Azhar University	Microbiology	Applied Mycology	Cairo, Egypt	Awarded	April 2012
Professor Advisors:	EL-Tayieb, M.M.; El- Shafei, M.M (Housing and Building National Research Center) El-Sheikh, H.H. and Abdel-Ghany, T.M. (Faculty of Science, Al-Azhar University)					
Topic:	Biotechnological application of wastewater treatment using fungi					
M.Sc. Science	Faculty of Science, Al-Azhar University	Microbiology	Applied Mycology	Cairo, Egypt	Awarded	June, 2009
Professor Advisors:	Abdel-Razek, A.S. and Mahmoud , S.A. (Atomic Energy Authority) El-Sheikh, H.H. and Abdel-Ghany, T.M. (Faculty of Science, Al-Azhar University)					
Topic:	Biotechnology of liquid radioactive and hazardous wastes treatment using certain fungi					
B.Sc. Science	Faculty of Science, Al-Azhar University	Microbiology- Chemistry		Cairo, Egypt	Excellent with honor degree	May, 2004

Working Experiences

Job Title	Employer	Location	Year
Researcher	China National Pulp and Paper Research Institute	Sinolight Plaza, 4# Qiyang Road, Wangjing, Chaoyang District, Beijing, China Phone: 86-10-64778065 Cell: 86-15101180352 Email: chgong1231@163.com	2/2017 - Current
Job Description	Researcher for lignocellulose-based biorefinery.		
Researcher	Sanitary and Environmental Institute (SEI), Housing and Building National Research Center (HBRC)	87 El-Tahrir St., Dokki, Giza, 11511, Egypt. P.O. Box: 1770 Cairo Tel: (+202)37617102, 37617092 Fax: (+202)33351564, 37628736 e.mail: hbrc@hbrc.edu.eg https://www.hbrc.edu.eg	12/2012 -Current
Job Description	Technical manager of Chemistry lab for water and wastewater and Lead a team of three graduate students for different research projects in Wastewater treatment and Drinking water.		
Assistant Lecturer	Sanitary and Environmental Institute (SEI), Housing and Building National Research Center (HBRC)	87 El-Tahrir St Dokki, Cairo, Egypt	6/2009-12/2012
Job Description	Proceed different water analysis and prepare my Ph.D. research work		
M. Sc. fellowship	Scientific Research and Technology Academy	Waste Management Facilities, Radiation Protection Department, Egyptian Atomic Energy Authority (EAEA) – Egypt	12/2005-12/2008
Job Description	Proceed different water analysis and prepare my M.Sc. research work		
Demonstrator	Botany and Microbiology department, Faculty of Science, , Al-Azhar University	Cairo, Egypt	second semester of 2006
Job Description	Prepare and teach practical courses for the first class of Biological Division including many courses (bacterial counts, biochemical analysis, enzymatic assays and Bacterial Taxonomy)		

Awards

Had a Scientific Success Certificate from Al-Azhar University–Faculty of Science

Reviewer Activities

- Reviewer at Journal of Environmental Chemical Engineering.
- Reviewer at Polish Journal of Chemical Technology
- One of the Technical Committees of the 2016 8th International Conference on Chemical, Biological and Environmental Engineering (ICBEE 2016) will be held during September 24-26, 2016 in Toronto, Canada.
- Reviewer at the Research on Chemical Intermediates (RINT), June, 2016.
- Reviewer at the Brazilian Archives of Biology and Technology, March, 2016.
- Scientific and Technical Committee & Editorial Review Board Member at World Academy of Science, Engineering and Technology, February 14, 2015.
- Reviewer at International Conference on Agricultural and Biological Sciences (ABS2015).

Memberships

- Member of American Chemical Society Membership No.: **31183815**.
- Member of Ocean Expert (Directory of Marine and Freshwater Professionals).

- Membership of the American Association for Science and Technology (AASCIT), Membership No.: 1005303.
- Membership of the Royal Society of Chemistry (RSC) Membership number: 577081.
- Membership of We The Microbiologist (WTM), India.
- Membership of the International Association of Engineers (IAENG) Membership number: 161506.
- Membership of the New York Academy of Sciences.
- Membership of International Association of Hydrological Sciences (IAHS) Number: 15118, UK.
- Membership of the International Society for Environmental Information Sciences (ISEIS), Canada.
- Membership of Society of Environmental Toxicology and Chemistry (SETAC) in Africa.
- Membership of Egyptian scientific syndicate.

Skills

English Languages: AMIDEAST/ CAIRO – 31/7/2006

SCALED SCORES

LISTENING COMPREHENSION	: 47
STRUCTURE & WRITTEN EXPRESSION	: 48
READING COMPREHENSION	: 48
TOEFL TOTAL SCORE	: 477

Computer : Awarded the International Computer Driving License (ICDL) Certificate include Concepts of Information Technology (IT), Using the Computer and Managing Files, Word Processing, Spreadsheets, Database, Presentation and Information and Communication (10/2010). **Skill Card Number : EGY000264348.**

Programming: Microcal Origin 5.0, Minitab 15 and SPSS for statistical analysis

Training Courses

1. Training course on “YZU Training Program of Molecular Biology Experimental Technology” in the period 15/11/2015 – 05/12/2015 at College of Bioscience and Biotechnology, Yangzhou University, Yangzhou, Jiangsu, China.
2. Training course on “Gas Chromatography” in the period 03/06/2012 - 14/06/2012 at National Research Center (NRC).
3. Training course in "Nanoscience and Nanotechnology" Held from 5th to 7th April 2011 at Nanoscience and Nanotechnology unit Beni-Suef University.
4. Environmental Friendly Infrastructure Training Course, Cairo – Egypt – October 18-22, 2010.
5. Fundamental principals and concepts for the International Standard ISO 9001:2008 and its Implementation from National Quality Institute (NQI) – Egypt 2010.
6. Advanced Wastewater Management of the Egypt Urban Development program from UNESCO-IHE (Institute for Water Education) 2009.
7. Medical analysis training course – Elsayed Galal Hospital – Cairo – Egypt – 2003.

SEMINARS

1. Ω Metrohm Ion Chromatography & Titration seminar around "Ion Chromatography IC" produced by Agitech Technologies (Arabian Group for Integrated Technologies) Company Experts, Held in Dusit Thani Lakeview Cairo on September 15, 2014.
2. Agilent-Agithech spectroscopy seminar around "New Technologies of Atomic and Molecular spectroscopy" produced by Agilent Technologies Company Experts, Held in Novotel Cairo airport Hotel on March 6, 2013.

WORKSHOPS

1. Participate in workshop entitled "Publishing in high ranked journals" Under auspices of Academy of Scientific Research and Technology (ASRT) and Royal Society of Chemistry (RSC), NIDOC, 3rd of May, 2015.
2. Participate in workshop program in TITLE: "Egyptian Standard Specification for the Analysis of Commercial Products - Analysis by Chromatographic instruments (GC and GC-MS)" at Chemistry Administration, Ministry of Industry and Foreign Trade at 27th of November, 2013.
3. Participate in the activates of the African workshop on "The Role of Reference Materials in Water Analysis" Held in National Institute of Standards (NIS) in the Period 8-9 May 2012.

LECTURE'S DIRECTOR

Prepare and teach course material for the following

1. Lecture director at National Organization for Potable water & Sanitary Drainage – Egypt in training Course Program (Chemical analysis for Potable water) in TITLE: "Potable water characterization – Sampling – Sample preservation – Water chemical analysis and quality control" From 16 to 20 February, 2014.
2. Lecture director at National Organization for Potable water & Sanitary Drainage – Egypt in training Course Program (Chemical analysis for wastewater) in TITLE: "wastewater characterization (Chemical, Physical and biological) – Sampling – Sample preservation – chemical analysis and quality control" From 17 to 21 Feb 2013.
3. Lecture director at National Organization for Potable water & Sanitary Drainage – Egypt in training Course Program (Chemical analysis for Potable water) in TITLE: "Potable water characterization – Sampling – Sample preservation – Water chemical analysis and quality control" From 9 to 13 December 2012.
4. Lecture director at UTI – Housing and Building National Research Center – Egypt – in training Course Program (Advanced Laboratories) in TITLE: " Atomic Absorption Spectrophotometer Instrumentation and Metal analysis" From 11 to 13 January 2011.

CONFERENCES

1. Participated in 5th Middle East Green Building Conference & Exhibition from 20- 21 April, 2016 - Sofitel El Gazirah Hotel – Egypt.
2. Participated in Conference on Sensing, Information and Decision at the Cellular Level, from 14 – 17 July, 2015 at The Abdus Salam International Center for Theoretical Physics (ICTP), Trieste, Italy.
3. Participated in 7th International Conference On Nano-Technology In Construction, from 27 -31 March, 2015, Sharm El-Sheikh, Egypt.
4. Participated with oral and technical presentation in ICAE 2014: XII International Conference on Agricultural Engineering from November 25-26, 2014. International Scientific Research and Experimental Development, Dubai, UAE.
5. Participated with paper in the "2nd International Conference and Exhibition Sustainable Water Supply and Sanitation (SWSSC) held during 3 –5 December 2012 at the Cairo In'l Conference Center in Cairo–Egypt.
6. Participated in the "1st International Conference and Exhibition Sustainable Water Supply and Sanitation (SWSSC) held during 25–27 July 2010 at the Cairo In'l Conference Center in Cairo–Egypt.

OTHER ACTIVITIES

1. Technical Manager of Chemistry Lab at Water and Wastewater at Sanitary and Environmental Institute, Housing and Building National Research Center that attained IAS17025 – 2011.
2. Participated as Technical Honest in Egyptian Code for design criteria and terms of execution of municipal solid wastes management systems from February 2013 till now.

3. Participated as Technical Honest in Egyptian Code for design criteria and terms of execution of desalination plants from January 2012 till now.
